AVKO is a non-profit tax-exempt 501(C)3 membership organization. AVKO was founded in 1974. AVKO is subsidized by donations and occasional grants, staffed by volunteers, and here to help anyone interested in helping others learn to read, write, spell, and master the English language.

The AVKO teaching method is intrinsically multi-sensory. In fact, this is where we get our name: **A** is for **AUDIO**. **V** is for **VISUAL**. **K** is for **KINESTHETIC**. **O** is for **ORAL**. **AVKO**.
